

## Who we are

We are a diverse group and enjoy creating and viewing art, developing new techniques, and broadening our knowledge through art experiences.

OUR AIM is to support, educate and assist artists, galleries, communities, associated businesses and art enthusiasts throughout our region and beyond.

OUR MISSION is:

- to provide, organise and promote professional development and educational services in the arts, and
- to foster and connect with artists and artisans within communities.

If you think you might like to join our supportive group, please fill out a membership form and pay the membership fee of \$50.

New members need to be nominated and seconded by members of our association. If you do not know any members, then please do one or more of the following:

- attend one of our meetings, which will allow you to meet members and learn about how our association operates and what it does;
- make contact via our website;
- contact a member of the Executive;
- email the secretary: [secretaryaoen@gmail.com](mailto:secretaryaoen@gmail.com);
